Selection guidance: Please refer to the model datasheet for detailed specifications, test conditions and matching requirements. Contact FCom for assistance with product selection.

Values: Please contact FCom to confirm parameter definitions, typical or limit values, and test conditions for the listed specifications.

Bandwidth: The attenuation level used to define bandwidth is not specified in this catalog. Please refer to the model datasheet for the applicable definition.

Stopband: Please refer to the model datasheet for the applicable frequency intervals, attenuation reference and test conditions.
